

# Hear clearly.

## **WS-2800™**

Cisco IP Phone

Clarity® is proud to introduce direct replacement Walker® handsets for Cisco IP Phones. Equipped with a single pole, single throw switch, the push-to-talk handset completes the total package for secure conversations. The Cisco IP Network, coupled with Clarity's Walker PTT handset, alleviates the need to worry about compromised conversations.

- Clear static-free reception
- Electret transmitter provides extra-clear transmissions
- Hearing aid compatible
- North American ID
- Works with all 6900, 8900 and 9900 Series phones

**White**  
Item # 56800.004
